

Double Door Pillars & Cabinets

E2 Double Door Pillars & Cabinets

Haldo offer a huge range of readily customisable range of cabinets over 1m wide. Please see the size table below for our most popular models.

The classic Haldo hinged door cabinet is a durable anti vandal cabinet which offers many customisable options.

From door locks, to steel thickness to paint finish, the E2 cabinet can do the job you want it to do.

Haldo Cabinets are available in 3mm or 5mm mild steel, galvanised to BS EN ISO 1461 and complete with ply back board and Tri Cam locks.

Where an aesthetic finish without any warping is needed we offer 1:4003 grade Stainless Steel range in a long life Powder coated finish.
